Chepstow & Caldicot Methodist Hub Vision Survey

A small group from the hub has been exploring how we might best engage with saints, seekers and stalwarts as we emerge from the pandemic. This survey has been created to get your views and input. It is almost certain that life and worship will never be quite the same in our post-Covid world. It is also certain that there will be many new or intensified personal struggles in society and also re-awakened desires to be part of something more meaningful. God is always doing something new and we need to prayerfully ask what is the role of our group of churches in that. Getting your feedback on these important questions is very important to us and we encourage you to spend 10 minutes filling in the survey.

All completed forms need to be handed in by [Friday 16th July](#) please

1. Your name (this is option, you can remain anonymous)

2. Which church do you consider your 'home' church?

3. How did you take part in praise & worship during the last year (use the rating to show how often you took part)?
