**WE NEED YOUR
HELP IN
DECIDING
HOW OUR
CHURCHES
EMERGE FROM
THE PANDEMIC**

Life and worship will never be quite the same in our post-Covid world. We have all had the familiar taken away, but we have also been forced to experience some new ways of being church. The pandemic has caused many new or intensified personal struggles in society and also re-awakened desires to be part of something more meaningful. God is always doing something new and we need to prayerfully ask what is the role of our group of churches in that. Getting your feedback on these important questions is very important to us and we encourage you to spend 10 minutes filling in the survey.

Remember not the former things, nor consider the things of old. Behold, I am doing a new thing; now it springs forth, do you not perceive it? I will make a way in the wilderness and rivers in the desert. Isaiah 43:18-19
